Restaurant recommender study: participants and goals

Group A (persons 1–14) starts with the eager mode, group B (persons 15–28) with the patient mode. Person n + 14 gets the same goals as person n; only the modes are swapped. Participants see “System A” and “System B”, never the mode. Every system: three conversations with the goals listed in order.

Remy persons 1–7

Person	Group	First system	Second system
1	A	**System A** · eager 1. north (area) 2. cheap (pricerange) 3. thai (food)	**System B** · patient 1. east (area) 2. moderate (pricerange) 3. international (food)
2	A	**System A** · eager 1. east (area) 2. moderate (pricerange) 3. chinese (food)	**System B** · patient 1. north (area) 2. cheap (pricerange) 3. thai (food)
3	A	**System A** · eager 1. south (area) 2. expensive (pricerange) 3. british (food)	**System B** · patient 1. east (area) 2. moderate (pricerange) 3. chinese (food)
4	A	**System A** · eager 1. west (area) 2. cheap (pricerange) 3. italian (food)	**System B** · patient 1. south (area) 2. expensive (pricerange) 3. british (food)
5	A	**System A** · eager 1. north (area) 2. moderate (pricerange) 3. french (food)	**System B** · patient 1. west (area) 2. cheap (pricerange) 3. italian (food)
6	A	**System A** · eager 1. east (area) 2. expensive (pricerange) 3. european (food)	**System B** · patient 1. north (area) 2. moderate (pricerange) 3. french (food)
7	A	**System A** · eager 1. south (area) 2. cheap (pricerange) 3. international (food)	**System B** · patient 1. east (area) 2. expensive (pricerange) 3. european (food)

Test run: one conversation with each system (eager and patient), goal “test”; saved in a separate test file.

Cai persons 8–14

Person	Group	First system	Second system
8	A	**System A** · eager 1. west (area) 2. moderate (pricerange) 3. thai (food)	**System B** · patient 1. south (area) 2. cheap (pricerange) 3. international (food)
9	A	**System A** · eager 1. north (area) 2. expensive (pricerange) 3. chinese (food)	**System B** · patient 1. west (area) 2. moderate (pricerange) 3. thai (food)
10	A	**System A** · eager 1. east (area) 2. cheap (pricerange) 3. british (food)	**System B** · patient 1. north (area) 2. expensive (pricerange) 3. chinese (food)
11	A	**System A** · eager 1. south (area) 2. moderate (pricerange) 3. italian (food)	**System B** · patient 1. east (area) 2. cheap (pricerange) 3. british (food)
12	A	**System A** · eager 1. west (area) 2. expensive (pricerange) 3. french (food)	**System B** · patient 1. south (area) 2. moderate (pricerange) 3. italian (food)
13	A	**System A** · eager 1. north (area) 2. cheap (pricerange) 3. european (food)	**System B** · patient 1. west (area) 2. expensive (pricerange) 3. french (food)
14	A	**System A** · eager 1. east (area) 2. moderate (pricerange) 3. international (food)	**System B** · patient 1. north (area) 2. cheap (pricerange) 3. european (food)

Test run: one conversation with each system (eager and patient), goal “test”; saved in a separate test file.

Dexter persons 15–21

Person	Group	First system	Second system
15	B	**System A** · patient 1. north (area) 2. cheap (pricerange) 3. thai (food)	**System B** · eager 1. east (area) 2. moderate (pricerange) 3. international (food)
16	B	**System A** · patient 1. east (area) 2. moderate (pricerange) 3. chinese (food)	**System B** · eager 1. north (area) 2. cheap (pricerange) 3. thai (food)
17	B	**System A** · patient 1. south (area) 2. expensive (pricerange) 3. british (food)	**System B** · eager 1. east (area) 2. moderate (pricerange) 3. chinese (food)
18	B	**System A** · patient 1. west (area) 2. cheap (pricerange) 3. italian (food)	**System B** · eager 1. south (area) 2. expensive (pricerange) 3. british (food)
19	B	**System A** · patient 1. north (area) 2. moderate (pricerange) 3. french (food)	**System B** · eager 1. west (area) 2. cheap (pricerange) 3. italian (food)
20	B	**System A** · patient 1. east (area) 2. expensive (pricerange) 3. european (food)	**System B** · eager 1. north (area) 2. moderate (pricerange) 3. french (food)
